From N.S.M's Desk

As the newest member of the M.S.R. team I would like to introduce myself. I have joined the team as National Sales Manager, having experience within the Medical and Dental fields. M.S.R. management has acknowledged it is time to take the next step forward, and I will be introducing new ideas and working

to improve existing procedures to ensure we are your chosen supplier for all your needs. To join a team that has so many long serving employees, it shows the company must be doing something correct. Excluding the company Directors, there are 6 staff members with accumulative year's service in excess of 100 years. They are as follows:

Ben Williams, Operations Manager	19 years
Noel Reddcliffe, Customer Service Manager	18 years
Michael Kappu, Purchasing Manager	22 years
David Tong, Purchasing	15 years
David Acton, Manager	18 years
Maureen Cadwallander, Inco. Division. Business Development Manager	10 years

I bring to M.S.R. a vast range of sales & management skills and feel I will complement the existing 40 staff members committed to client satisfaction. I would like to take this opportunity to wish you all, a happy & prosperous 2007 and I look forward to meeting you in person in the not too distant future.

MAX SUTHERLAND

The staff of MSR had a great time at Hotel Monier for their Annual Christmas Party!

Congratulations to Shane on his recent promotion to Head Storeperson. Shane has been with us for almost two years and is dedicated and hardworking. He always strives to ensure that your order is processed quickly and carefully.

Shane Moore - Head Storeman

Lesley is once again the Employee of the Month. She has been with MSR for almost 5 years and is always the friendly voice on the phone. Lesley is committed to service, be that to the clients or to her active 16 month old, Allie.

**Employee of the Month - November
- Lesley Callingham**

Well done to Brett, our employee of the month for December. Brett works tirelessly in our distribution centre and is always willing to go the extra mile when it counts.
