

Diaguru Ultrasound Gel

Material Safety Data Sheet

1 Product and Company Identification

Product name

Ultrasound Gel

Manufacturer's Name

Diaguru Pty Ltd

Telephone & Fax Number

Tel: +61286786499

Address

14/22-24 Daintree Drive Redland Bay QLD

2 Composition, Information on Ingredients

Chemical composition carbomer 0.5%, Sodium hydroxide 1.05% Glycerinum 0.15% Antiseptic 0.025% , Water 98.275%**CAS No.** carbomer 54182-57-9 Sodium hydroxide 1310-73-2 Glycerinum 56-81-5 Water 7732-18-5

3 Hazards Identification

(1) determination of explosives

the substance presents no explosive

(2) determination of flammability

flash point of the substance is higher than 60°C (closed cup), so it does not belong to class3 (flammable liquid)

(3) determination of other dangerous properties

the substance has no other dangerous properties

4 First Aid Measures

Wash with water if enters in the eye.

Seek medical advice if irritation occurs.

Diaguru Pty Ltd

Material Safety Data Sheet

5 Fire Fighting Measures

Extinguishing media

Use appropriate extinguishing media for surrounding fire.

6 Accidental Release Measures

Slippery if spilled on floor. Absorb spill with inert material and then place into a waste container. Mop the area with water.

7 Handling and Storage

Handling:

Keep in a tightly closed container. Protect from physical damage stored in a cool, dry, ventilated area.

Storage:

Keep away from ignition sources, heat and flame. Incompatible with strong oxidizing agents, acids, bases.

8 Exposure controls/Personal protection

Ensure adequate ventilation.

9 Physical and chemical properties

The substance is aqueous gel at room temperature. Specific gravity: 1.01g/cm³

solubility: Easily soluble in water.

10 Stability and reactivity

Stability

Stable under ordinary conditions of use and storage.

Materials to avoid

keep away from ignition sources, heat and flame. Incompatible with strong oxidizing agents, acids, bases.

Diaguru Pty Ltd

Material Safety Data Sheet

11 Toxicological information

The substance does not belong to Toxicological

12 Ecological information

The goods without ecological harm to the environment.

13 Disposal considerations

Waste treatment

Waste incineration may be related provisions, dealing with landfill

14 Transport information

Handling and storage according to common goods. ICAO/IATA Not regulated.

15 Regulatory information

The products in line with regulatory requirements, safety requirements are not permitted products.

16 Other information

The information given in this data sheet is provided to assist customers in assessing the health and safety requirements associated with the use of the product.
