MSR clients now have the ability to add up to three “Order Templates” to their MSR web page, the templates are accessed via a new button in the Tool Box.

The screenshot shows the MSR website interface. At the top left is the MSR logo with 'Established 1922' and '1300MEDSURG'. A search bar is present with the text 'Search by product name or stock number'. Below the search bar is a navigation menu with categories: Medical Equipment, Diagnostic Products, Instruments, Sutures & Skin Closures, Woundcare, Consumables, and Specials. The main content area features a large banner with the MSR logo and the text 'Welcome to our new website' over a background image of a stethoscope. To the right of the banner is a 'Specials' section with three promotional cards: 'MediSaver July-Sep', 'Medsure Budget Friendly Alternatives', and 'Clearance Sale'. On the far right is a 'Tool Box' sidebar with a close button (X). The sidebar lists several functions: Item Order History, Favourites List, **Order Templates** (highlighted with a red box), Invoices/Credit Notes, Back Orders, Edit My Details, Contact Us, Checkout, and Log Out. The user's name 'BEN WILLIAMS' and role 'Territory Manager' are displayed at the top of the sidebar.

The templates can be named to suit your individual needs

This screenshot shows the 'Create new order Template' form. At the top, there is a button 'Create new order Template', a checkbox for 'Clear all order quantities', and a link 'Click on list name to open the list'. Below this is a table with three rows. The first row has a text input field containing 'Click here --for Ordering', followed by 'Rename' and 'Delete' buttons. The second row has a text input field containing 'Doctors Consult 2', followed by 'Rename' and 'Delete' buttons. The third row has a text input field containing 'Treatment Room', followed by 'Rename' and 'Delete' buttons. A red box highlights the first row's text input field.

You can add items to your templates in a number of ways;

1. By using the “Search By Stock Code” or “Search By Product Name” box inside the template screen.
2. You can Import all of the items from your “Favourites List”

This screenshot shows the template management interface. At the top, there is a text input field containing 'Treatment Room', followed by 'Rename' and 'Delete' buttons. Below this is a row of three buttons: 'Print Order Template', **Import Favourites** (highlighted with a red box), and 'Add All To Cart'. Below the buttons is a section titled 'Add To Template' with two text input fields: 'Search By Stock Code' and 'Search By Product Name'. A red box highlights these two input fields. To the right of these fields is a 'Hide Results' button.

Add to Treatment Room

An example Order Template is shown below.

The default display sequence is the order the items were added to the Order Template.

You can change the default order by clicking in the first grey column and dragging any item to where you want it in the Order Template.

You can also sort the list by any of the columns with green headings.

You can add items to your cart one by one, or you can enter all of the quantities required into the Order Template (entering "0" where the item isn't required) and then click the "Add All To Cart" button.
