## Features & Benefits

### Compact Design

- Allows for easy placement on shelf or counter and accommodates stackability.

### Patented 3-Port Filter Design

- Versatile 3-port filter design features covered, hidden male ports and accommodates a variety of tubing sizes providing versatility in procedure and accessory setup.

### Variable Filter Life (up to 35 hours)

- Delivers unsurpassed value and reduces per procedure costs.

### Filter Tracking Technology

- Automatically tracks and records filter life through a patented technology.
