

You'll be surprised with our range of quality products!

medsure

Our new range of Nitrile Powder-free Examination Gloves offer comfort and strength while remaining flexible for your everyday needs. These Nitrile gloves are a great alternative for those with latex sensitivities.

Features:

- Textured surface enhances grip
- Beaded cuff prevents roll down
- Disinctive blue colour provides easy visual differentiation
- Length: 24cm
- Powder-free
- Latex-free
